Year 6 Summer 2

Dear Parents.

Welcome back for the final half term of your child's time at Bishopswood Junior School; we hope you enjoyed half term. There are many exciting things to look forward to this term including our end-of-year-6 trip to Paulton's Park and our Year 6 school production: 'I'm an 11 year old, get me out of here'. We are focussing our final half term on our topic 'I'm a Year 6: get me out of here'. We have already started looking at this, exploring teamwork and challenges this week, before moving onto map work in geography, and practical work in maths, science and DT with some STEM challenges to continue our team-working theme.

## Water bottles and sun cream

Just a quick reminder to ensure that your child has a water bottle in school over the coming weeks as it is likely to get a lot warmer and we are hoping to work outside a great deal more. As we will be working outside more, please ensure that your child has sun cream on before they come to school. It is also a good idea for your child to bring a hat into school for time we spend outside.

## PE

PE will again be on a Thursday this half term. We have Reading FC coaches in school teaching rounders and we will also spend time focussing on athletics skills and practising for sports day. Children will need to come into school wearing their PE kits on a Thursday only. Please can you ensure children wear the correct P.E kit, this includes their normal school jumper or hoodie and their house PE shirt.

## **Homework**

This half term we have given the children a geography-based homework task, linked to the 'Get Me Out Of Here' topic. Children will be expected to choose a country they would like to escape to, then complete one hours homework each week exploring different areas of that country. This will be on top of their reading that needs to be completed 3 times a week, with homework diaries signed for on a Friday.
